Stage C Designation

Mnaasged has not received Stage C designation from the Deputy Minister. We are asking our Leadership to advocate for us so we can expedite the process. Please reach out to us if you would like more information on how you can help with advocacy.

Post Majority Care

As of April 16, 2025, Mnaasged will not be offering Post Majority Care Services. All files have been transferred to the First Nations, who will continue to support and advocate for their youth.
